WHY BUY RANCH?

Style...

Wrap Rails on SportWrap & Legacy

- Covers OEM plastic rail guards

Trimless Edges

- Finished similar to the edges of your truck
- No painted plastic to warp or fall off

DuPont Automotive Grade Paint

- Similar to the paint on your truck

DuPont Low Haps Clear Coat

- Environmentally friendly clear coat that gives a great gloss finish

High Tech Paint Booth

- On a track to ensure consistent bake and cure
- Environment and temperature controlled
- Downdraft system

Hand Crafted Molds

- Formed to fit contours of the truck
- Fitted multiple times to ensure fit

Security...

Fiberglass Tailgate Wrap on Lids

- Keeps tailgate from opening when lid is closed

"L" Frame on SportWrap & Legacy

- Stronger than flat aluminum frames

Rotary Latches on Lids

- 1200 lb tested
- Secured to aluminum plate molded in lid

Ranch's Custom Fiberglass and Resin Mix

- Strong Fiberglass with Tri-Cell reinforcement
- Approximately 156 mills thick

Dual "T" Handle Doors

- Two sturdy cams secure the door tightly to the cap

Tempered Safety Glass

- Strength Tested
1/2lb steel ball dropped from 10 feet
- Flex Tested
8' Long Window Holds 150lbs

Seal...

Triple Seal System on SportWrap & Legacy

- Fiberglass Skirt
- Water must come up to get in
- Rubber "L" Style Weather Seal
- Seals from fiberglass wrap to truck bed
- Aluminum "L" Frame
Welded at front corners
Acts as an interior gutter

Foam Sealed Windows

- Seals better than hard rubber
- Long lasting and shape conforming

U-Glaze Window

- Better compression on seals

Drain Channel with Weep Holes

- Designed to drain any water trapped by the frame
